

**Contact**

Room 2905, Health Science Centre  
3330 Hospital Drive NW  
Calgary, Alberta, Canada, T2N 4N1  
Office: +1 403 210 5470  
Fax: +1 403 210 9330  
erin.mazerolle@ucalgary.ca  
<http://www.erinmazerolle.com>

**Research Interests**

Physiological underpinnings of cognition  
functional brain connectivity  
Neurovascular coupling in the human brain  
Metabolic and hemodynamic changes in  
neurological disease and recovery  
White matter imaging

---

**Leaves of Absence**

November 2016-November 2017      Maternity leave

**Education & Training**

- 2012-present    Postdoctoral researcher  
                    Advisor: Prof. Bruce Pike  
                    Hotchkiss Brain Institute and Radiology, University of Calgary  
                    Neurology & Neurosurgery, McGill University
- 2008-2012      PhD, Psychology/Neuroscience, Dalhousie University  
                    Supervisor: Prof. Ryan D'Arcy  
                    Thesis: *Refinements to the understanding of functional MRI activation in white matter*
- 2005-2007      MSc, Psychology/Neuroscience, Dalhousie University  
                    Supervisor: Prof. Ryan D'Arcy  
                    Thesis: *Detecting interhemispheric transfer across the corpus callosum using high field functional magnetic resonance imaging*
- 2001-2005      BSc (first class honours), Neuroscience & Computer Science, Dalhousie University  
                    Supervisor: Prof. Ryan D'Arcy  
                    Thesis: *Electrophysiological characterization of temporal lobe activation during visual object recognition*

**Other Research Experience**

- Summers 2003-2005    National Research Council (NRC) Women in Engineering and Science  
                                    Program work terms  
                                    Institute for Biodiagnostics (Atlantic), NRC, Halifax, Nova Scotia  
                                    Supervisor: Prof. Ryan D'Arcy
- 2003-2004              Clinical Brain Imaging Program research assistant (part-time)  
                                    Department of Psychiatry, Dalhousie University  
                                    Supervisor: Dr. Normand Carrey

Summer 2002      Natural Sciences and Engineering Research Council of Canada (NSERC)  
 Undergraduate Student Research Award work term  
 Department of Psychology, Dalhousie University  
 Supervisor: Prof. John Connolly

## Other Training and Certifications

2015      Research Communication and Media Training (hosted by Jay Ingram)  
 University of Calgary

2014      Level 2 MRI operator  
 Seaman Family MRI Research Centre, University of Calgary

2013      Instructional Skills Workshop  
 Teaching and Learning Centre, University of Calgary

2013      RespirAct™ Training & Certification Course  
 Thornhill Research Inc., Toronto

2008      FSL Course  
 Queensland Brain Institute, University of Queensland

2005      BrainVision User Workshop  
 Lisbon, Portugal

## Research Grants

2016-2019      Multiple Sclerosis Society of Canada Operating Grant  
*Comorbidity, cognition and multiple sclerosis (C-COMS)*  
 Marrie RA (PI), Fisk JD, Graff L, **Mazerolle EL**, Kornelsen J, Bernstein CN, Bolton  
 J, Marriott JJ, Figley C  
 \$266 083.39

2014-2016      CIHR Catalyst Grant (Secondary Analysis of Neuroimaging Databases)  
*Pre-symptomatic biomarkers for Alzheimer's disease: structural and functional  
 changes in white matter*  
 Gawryluk JR (PI), **Mazerolle EL**, Ritchie LJ, Fisk JD  
 \$84 714

## Awards and Honours

### *Postdoctoral Fellowships*

2016-present      Alberta Innovates-Health Solutions Postgraduate Fellowship

2014-2016      Alberta Innovates-Health Solutions Postgraduate Fellowship (incentive program)

2014-2016      NSERC Postdoctoral Fellowship

2014-2016      NSERC Collaborative Research and Training Experience (CREATE) International  
 and Industrial Imaging Training (I3T) Fellowship

2014      Multiple Sclerosis Society of Canada Postdoctoral Fellowship (declined)

2012-2013      Canadian Imperial Bank of Commerce Fellowship in Brain Imaging

### *Graduate Scholarships*

2010-2011	Izaak Walton Killam Predoctoral Scholar
2008-2010	NRC Graduate Student Scholarship Supplement – Doctoral
2009-2010	President’s Award – Dalhousie University
2008-2009	NSERC Alexander Graham Bell Canada Graduate Scholarship – Doctoral
2008	L’Oréal-UNESCO “For Women in Science” Mentor Fellowship
2008	Molly Neuroscience Traineeship – Dalhousie University
2006-2007	NSERC Post-Graduate Scholarship – Masters
2005-2009	Honorary Izaak Walton Killam Predoctoral Scholar
2005-2007	NRC Graduate Student Scholarship Supplement – Masters
2005-2006	Julie Payette NSERC Graduate Research Scholarship
2005	D.O. Hebb Post-Graduate Prize

### *Honours*

2011	Top student poster (white matter study group) – 19th Scientific Meeting of the International Society for Magnetic Resonance in Medicine
2009	Fellow of the Summer Institute in Cognitive Neuroscience University of California, Santa Barbara
2008	Top 80 Women to Watch – Chatelaine Magazine
2007	Canadian Psychological Association Certificate of Academic Excellence – Masters Thesis

### *Travel and Registration Awards*

2016	Travel award - 2016 International Conference for Promoting Healthy Brain Aging and Preventing Dementia
2014	Educational Stipend – 22nd Scientific Meeting of the International Society for Magnetic Resonance in Medicine
2014	Hotchkiss Brain Institute REALISE (Research, Education and Leadership in Neuroscience) External Module Registration funding
2012	Atlantic endMS Regional Research and Training Centre Trainee Travel Award
2011	Dalhousie Association of Graduate Students Travel Grant
2011	Educational Stipend – 19th Scientific Meeting of the International Society for Magnetic Resonance in Medicine
2010	Trainee Abstract Award – 16th Annual Meeting of the Organization for Human Brain Mapping
2009	Nova Scotia Health Research Foundation Research Capacity Award

- 2008 Trainee Abstract Award – 14th Annual Meeting of the Organization for Human Brain Mapping
- 2007-2008 Dalhousie Faculty of Graduate Studies Travel Grant
- 2007 Educational Stipend – 15th Scientific Meeting of the International Society for Magnetic Resonance in Medicine

### *Undergraduate Scholarships and Awards*

- 2004 Dalhousie Neuroscience Institute Prize
- 2003 Dalhousie University Lilyan E. White Prize in Neuroscience
- 2001-2005 Dalhousie University renewable entrance scholarship
- 2001-2005 Faculty of Science Dean's List

## **Teaching and Mentoring**

### *Academic Teaching*

Guest lecture on MRI and fMRI

- Medical Imaging Applications (MDSC 689.11), graduate course, Medical Imaging Specialization, University of Calgary (Winter 2016)
- Model Systems in Neurobiology (NEURO 451), undergraduate course, BSc Neuroscience Program, University of Calgary (Fall 2014 and 2015)

Guest lecture on diffusion MRI

- Medical Imaging Applications (MDSC 689.11), graduate course, Medical Imaging Specialization, University of Calgary (winter 2014)

Guest lecture on ERP source localization

- Research Methods in Cognitive Neuroscience (PSYO/NESC 3137), undergraduate course, Department of Psychology, Dalhousie University (Fall 2010)

Teaching assistantships

- Methods in Experimental Psychology (PSYO 2000), undergraduate course, Department of Psychology, Dalhousie University (Fall 2008)
- Statistical Methods (PSYO 2501), undergraduate course, Department of Psychology, Dalhousie University (Winter 2008)
- Research Methods in Cognitive Neuroscience (PSYO/NESC 3137), undergraduate course, Department of Psychology, Dalhousie University (Winter 2006)

### *Other Teaching – University Environment*

- Jun 14, 2016 Presenter, Seaman Family MRI Research Centre safety refresher, University of Calgary
- Jun 26, 2015 Leader, hands-on workshop for diffusion MRI analysis, Calgary Analysis Workgroup, University of Calgary
- Jan 15, 2015 Leader, workshop on analysis for BOLD cerebrovascular reactivity data, Calgary Analysis Workgroup, University of Calgary

- 2014-present   Trainer for Level 1 and 2 MRI operator certification, Seaman Family MRI Research Centre, University of Calgary
- 2014-2016    Co-founder and Lead Coordinator of the Calgary Analysis Workgroup, University of Calgary (monthly workshops on data analysis for MRI)

### ***Other Teaching – Youth Science Outreach***

- 2016           Guest Speaker and Mentor at youth entrepreneurship and innovation camp, MindFuel, Calgary
- Spring 2015   Mentor, Coder Dojo (youth computer programming club), Calgary Public Library
- 2008-2015    Guest Speaker and Mentor for elementary, junior, and senior high school science classes (Halifax and Calgary, six events)
- 2005-2013    Demonstrator, Tour Guide, and Mentor for youth events in the lab, including Shad Valley, Girl Guides of Canada, and university open houses (Halifax and Montreal, seven events)
- 2009-2011    Lead Coordinator (2010-2011) and Volunteer Judge (2009) for Dalhousie University's CIHR Brain Bee
- 2009-2011    Youth Outreach Volunteer for Brain Awareness Week, Society for Neuroscience, Halifax Chapter
- 2006-2010    Guest Speaker and Mentor at youth science camps and clubs with SuperNOVA at Dalhousie University and Adventures in Engineering and Science, University of Ottawa (six events)
- 2005-2008    Founding Leader/Mentor of Industry, Technology and Science (ITS) for GIRLS! SuperNOVA at Dalhousie University  
*This is a monthly all-girl science and technology adventure club (ages 10-14) that was the winner of the Canadian Women's Foundation Girls' Fund grant.*
- 2006-2008    Instructor, Actua science and engineering camps (week-long day camps at Ottawa Boys and Girls Club, Ontario; Charlottetown Boys and Girls Club, Prince Edward Island; Indian Brook First Nation, Nova Scotia; Native Council of Prince Edward Island; Pictou Landing First Nation, Nova Scotia)
- Fall 2007     Head Instructor for Actua science clubs, Wabano Aboriginal Health Centre and Ottawa Inuit Children's Centre (Ottawa)
- 2006           Lead Organizer, Thinking about Neuroscience with Dr. Roberta Bondar (special youth outreach event for over 120 girls and their parents, Halifax)

### **Professional Activities**

#### ***Editorial Service***

- Ad-hoc           Reviewer, NeuroImage (7 articles)
- Ad-hoc           Reviewer, Journal of Magnetic Resonance Imaging (2 articles)
- Ad-hoc           Reviewer, Science Advances (1 article)
- Ad-hoc           Reviewer, Human Brain Mapping (1 article)

Ad-hoc	Reviewer, Cerebral Cortex (1 article)
Ad-hoc	Reviewer, Magnetic Resonance Imaging (1 article)
2013-2014, 2018	Abstract reviewer, Annual Meetings of the Organization for Human Brain Mapping

### *Professional Associations*

2007-2016	Member, Organization for Human Brain Mapping
2014-2015	Member, University of Calgary Academic Women's Association
2005-2015	Member, International Society for Magnetic Resonance in Medicine
2012	Member, Society for Neuroscience
2005	Member, Society for Psychophysiological Research

### *Committees*

2014-2015	Trainee representative, NSERC CREATE I3T steering committee, University of Calgary
2009-2010	Student representative, Research Ethics Board, Department of Psychology, Dalhousie University
2008-2009	Student representative, Graduate Program Committee, Department of Psychology, Dalhousie University
2005-2006	Student representative, Research Ethics Board, Department of Psychology, Dalhousie University

### *Speaking Engagements and Media Events*

2016	<i>Adult neuroplasticity: a double-edged sword</i> Outreach presentation to the staff of Alpha House Society, a Calgary-based housing and addictions non-profit organization
2016	<i>Adult neuroplasticity: a double-edged sword</i> Outreach presentation to the senior leadership team of the Calgary Urban Project Society (CUPS), an anti-poverty non-profit organization
2016	<i>The Robot and MRI study</i> Outreach presentation to the Stroke Recovery Association (Calgary)
2014	Guest Speaker at the Cumming School of Medicine funding announcement, University of Calgary
2014	Guest Speaker at the Campus Alberta Innovates Program (CAIP) chair announcement for Profs. Bruce Pike and Marc Strous (Calgary)
2010	Student spokesperson for the Molly Appeal fundraising campaign, Dalhousie Medical Research Foundation
2008	Guest Speaker at the Canadian Women's Foundation luncheon (Halifax)

2008      Tour Guide/Demonstrator for the grand opening of the Biomedical MRI Research Laboratory, National Research Council, Halifax (including special guest the Hon. Peter MacKay, Minister of National Defence)

## Publications and Presentations
